

# Zero Exchange

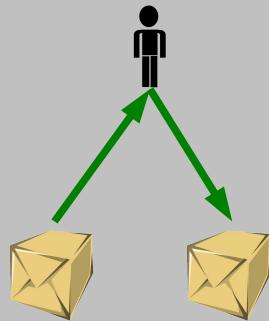

Система управления коллективными  
проектами

# Ключ к решению сложных задач - сотрудничество

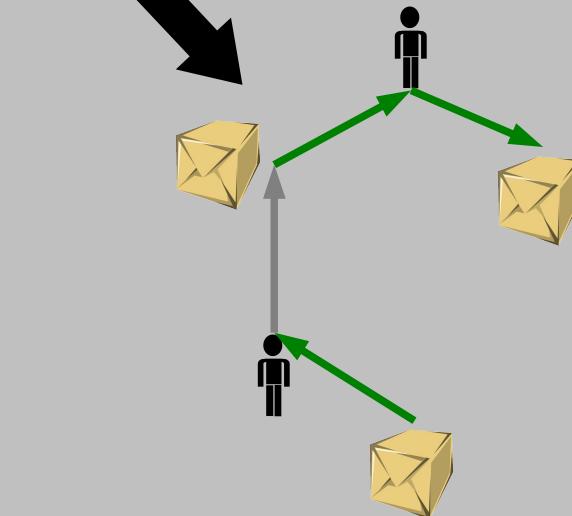

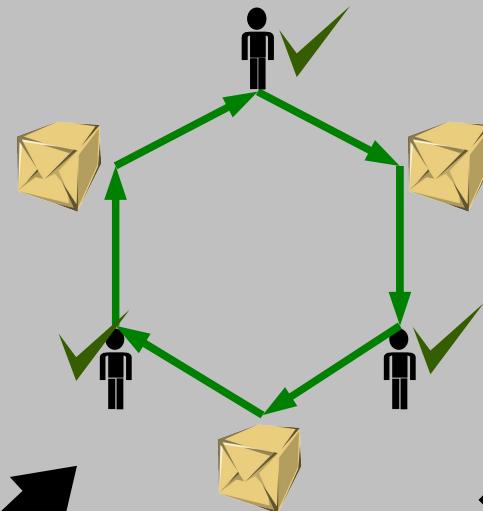

# Сотрудничество – это обмен товарами и услугами согласно некоторому протоколу

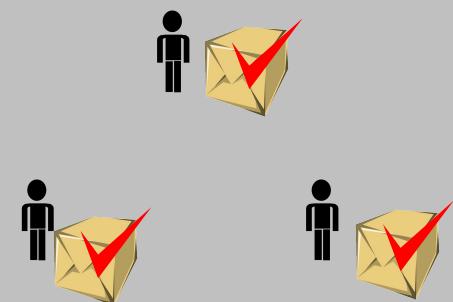

Создание коллективного договора

Подписание договора

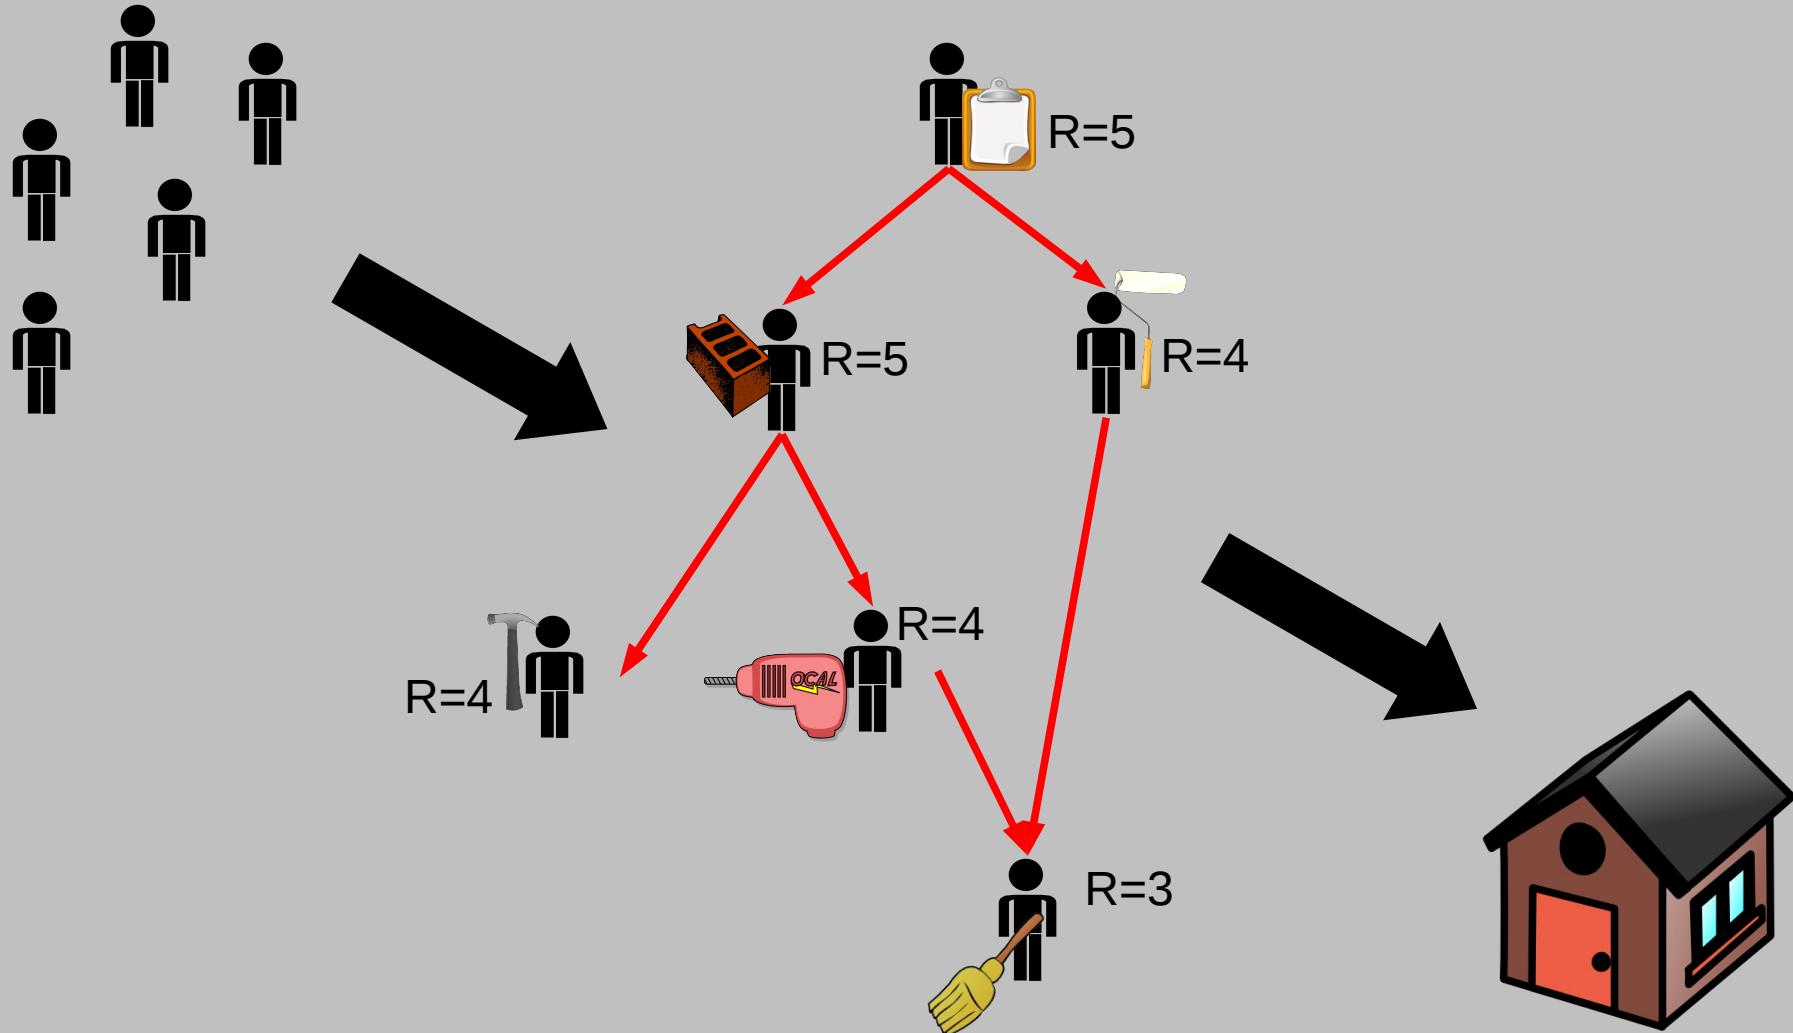

Формирование сети сотрудничества

Поставка ресурсов

# Доверие – основа сотрудничества, Репутация – основа доверия

# Меняться можно:

Вещами

Деньгами

Услугами

Или

Сотрудничать безвозмездно

# Как это выглядит сейчас

The diagram illustrates a user interface flow between three windows, A, B, and C, showing the creation and management of a contract.

**User A (Top Window):**

- Header: You are logged in as A
- Top Bar: About, Profile, Collaboration, Logout
- Left Sidebar: Profile, Statistics, Messages (selected), Back | Send |
- Form: Recipient(s) B, Subject: Collaboration offer, Input your message below:

**User B (Middle Window):**

- Header: You are logged in as A
- Top Bar: About, Profile, Collaboration, Logout
- Left Sidebar: Available Contracts, Your Resources
- Form: Create Contract | Find!
- Table: Available Contracts

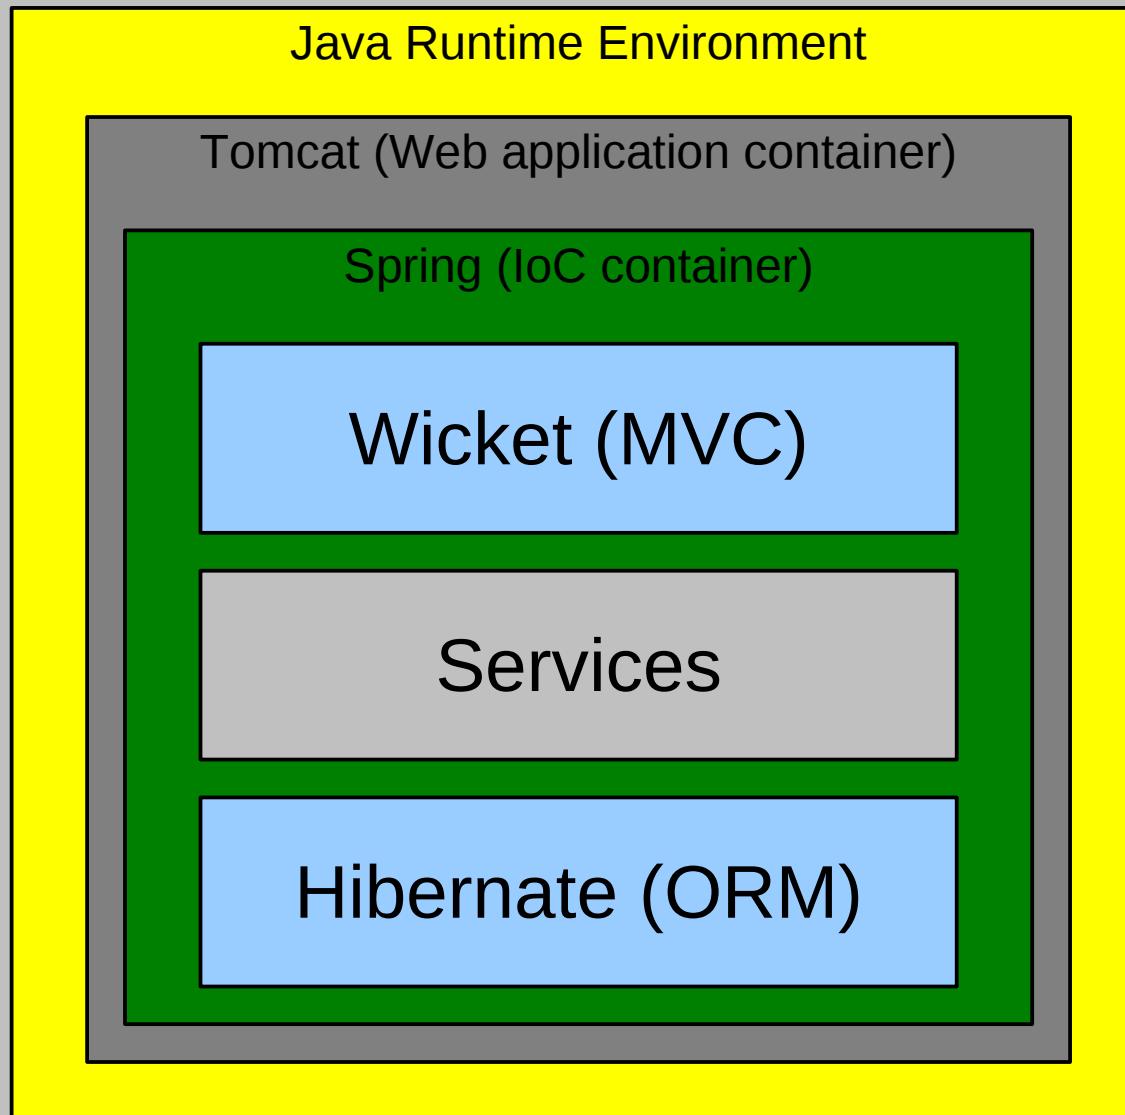

ID	Title	Created
1	Space flight	A

**User C (Bottom Window):**

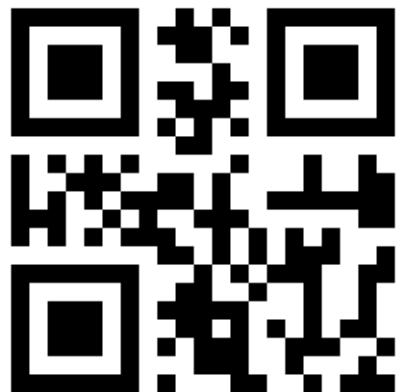

- Header: You are logged in as B
- Top Bar: About, Profile, Collaboration, Logout
- Left Sidebar: Available Contracts, Your Resources
- Form: Back | Add Resource | Find!
- Text: Title: Space flight, Status: Uncompleted
- Table: Available Contracts

ID	Category	Description	Amount	Owner	Producers	Consumers	Manage
100	Service		0.00 ?	B		A	I can provide I need it Tenders...
200	Service		0.00 ?	B	A		I need it Tenders...
300	Good	The spaceship	1.00 Each	B	B		Edit Unbound Tenders...
